¹⁾The figures illustrated in this chart are only an estimate of what your electrical costs would be. Actual charges depends on the number of days in each billing cycle and will vary from month to month.

This chart is only accurate for customers that are charged residential rates. For large commercial customers, please contact the Utility Services Department at **(360) 565-3249** or **Utility.Services.Info@ClallamPUD.net** and we will be happy to provide you with an estimate of what your electrical costs will be under the Watts Green program.
