Retail	\$0.28 per square foot
Office	\$0.29 per square foot

For weatherization, the qualifying office or retail space must be 5,000 square feet or less and currently heated electrically.

COMMERCIAL APPLIANCES REBATES

<i>Refrigerators</i>	\$100 - \$200 (See rebate coupon for more information)
<i>Freezers</i>	\$200 - \$700 (See rebate coupon for more information)
<i>Clothes Washers</i>	\$90 - \$180 (See rebate coupon for more information)

NEW AND EXISTING CONSTRUCTION LIGHTING

Clallam County PUD offers a variety of incentives for new and existing construction lighting projects. Please see additional literature for more details.

Incentives are also available for custom commercial and industrial projects. Project engineering must be submitted for District and Bonneville Power Administration's review *prior* to installation. Incentives are based on kWh savings and measure life.

Commercial/Industrial Incentive programs began on June 1, 2001. Incentives are available for Estimated Energy Savings and Value for Non-Deemed Conservation Measures and Activities in Industrial and Commercial, based on RTF recommendations to BPA.

Rebate/incentive levels cannot exceed actual costs and can change or be discontinued at any time. All applicable BPA specifications must be met.

ALL PROJECTS, EXCEPT APPLIANCE REBATES, MUST BE APPROVED BY THE DISTRICT PRIOR TO INSTALLATION.
