\$30 - \$1,200 (Rebate amount is dependent on size and efficiency of equipment, See rebate coupon for more information)

NEW AND EXISTING CONSTRUCTION LIGHTING

Clallam County PUD offers a verity of incentives for new and existing construction lighting projects. Please see additional literature for more details.

CUSTOM PROJECTS

Incentives are also available for custom commercial and industrial projects. Project engineering must be submitted for District and Bonneville Power Administration's review *prior* to installation. Incentives are based on kWh savings and measure life. The incentive levels for different project types are detailed in the following table.

<u>Project Type</u>	<u>\$ / KWh</u>
Commercial	
New Construction	\$0.27 / KWH
Existing Construction	\$0.20 / KWh
Industrial	
New Construction	\$0.27 / KWh
Existing Construction	\$0.25 / KWh

Rebate/incentive levels cannot exceed actual costs and can change or be discontinued at any time. All applicable BPA specifications must be met.

ALL PROJECTS, EXCEPT APPLIANCE REBATES, MUST BE APPROVED BY THE DISTRICT PRIOR TO INSTALLATION.
